To all CEP Local Unions

Greetings,

I am very pleased to encourage CEP local unions and members, as well as their employers, to strongly support the 2011 United Way campaign.

It is important to note that the 2011 United Way campaign is more closely tied to labour's vision of collective community action than ever before. By ensuring that this campaign reaches its financial goals, we can make a meaningful contribution to overcoming inequality and achieving more social justice in our communities.

In solidarity,

Dave Coles
